Green Building In-Field Session - Tuesday Evening, August 4 - 5:30 PM

First bus leaves promptly at 5:30 PM from Hotel

New this year! In-field session included in conference price!

This in-field event offers participants an opportunity to speak with a non-profit green building professional. Presenters from Family Services, Inc. will be on hand to conduct a tour, answer questions and share their unique experience of combining a capital campaign with their first green building development. Refreshments will be provided. This in-field activity will fill up quickly, and space is very limited. Be sure to pre-register early for this Conference 2009 event to ensure your place.
